Earn \$15 - \$600 by Referring MicroBusinesses

ServAsk connects you to very small, independent service-based businesses (*microbusinesses* or *micros*, for short). **ServAsk** is a directory of local services like piano lessons, painting, cleaning, etc. along with customer feedback.

Receive \$15 per successful referral by turning your “word-of-mouth” recommendations into visual feedback, to be displayed on ServAsk.com. Fill out the form below or go to www.ServAsk.com. A successful referral occurs when the person you refer pays ServAsk \$35 for a 1-year listing. For details, please see the Refer-a-Micro Program (RAMP) contract at <http://www.servask.com/more/RAMP.aspx>.

For *Wisconsin State Cow Chip Throw Festival*, we’re relaxing our rules by accepting your referral via paper, fax, and email. Email questions to Jean at Jean@ServAsk.com, or call (608) 795-2224.

ServAsk, LLC was founded in January 2005 by two Sauk Prairie area computer consultants (Jean & Ty), after discovering how time-consuming it can be to find individuals with unique or very specific skills for small to medium sized projects.

By using our website, you agree to our disclaimer at www.ServAsk.com/More/Policies.aspx.
